

FORM 10-Q

Quarterly report pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 for the quarterly period ended September 30, 2023

ISLA PERTTULA CORPORATION

(Exact name of registrant as specified in its charter)

Delaware | 1 Channel Plaza, Perttula, Texas 77436

Class A Common Stock, par value \$0.01 per share, listed on the New York Stock Exchange under the symbol IPC.

As of the close of the quarter, 158,900,000 shares of Class A Common Stock and 12,700,000 shares of Class B Common Stock were outstanding.

Part I — Financial Information

Item 1. Condensed Consolidated Statements of Operations (unaudited)

(in millions, except per share)	Q3 2023	Q3 2022
Advanced Materials	515	583
Chemicals	485	552
Energy & Storage	238	314
Logistics	661	608
Corporate & Community	28	28
Total revenue	1,927	2,085
Adjusted EBITDA	323	395
Net income (loss)	131	206
Diluted earnings (loss) per share	\$0.77	\$1.21

Item 2. Management's Discussion and Analysis

Revenue for the quarter was 1,927 million, compared with 2,085 million in the same quarter of 2022.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

The Company is exposed to commodity price risk on natural gas and power, and to interest rate risk on borrowings under its revolving credit facility. There has been no material change in the Company's market risk exposures since the most recent Annual Report on Form 10-K.

Item 4. Controls and Procedures

Management, with the participation of the principal executive officer and principal financial officer, evaluated the effectiveness of the Company's disclosure controls and procedures and concluded that they were effective as of the end of the period covered by this report.

Part II — Other Information

Item 1. Legal Proceedings

The Company is party to various legal proceedings arising in the ordinary course of business.

Forward-Looking Statements

This report contains forward-looking statements. Actual results may differ materially from those expressed or implied, including as a result of commodity prices, weather events on the Texas Gulf Coast, regulatory developments in the jurisdictions in which the Company operates, and the outcome of strategic reviews.
