### Item 2. Management's Discussion and Analysis

Revenue for the quarter was 2,020 million, compared with 1,984 million in the same quarter of 2025. Results include a non-cash charge of $41 million related to capitalized development costs at the Qaqqaq Project.

### Strategic Review

As previously disclosed, the Qaqqaq Project and associated dedicated logistics and air services are subject to a strategic review, the outcome of which may include suspension. In connection with the review, the Company recorded a non-cash charge of $41 million related to capitalized development costs at the Qaqqaq Project. Dedicated air services associated with the project include seasonal service between Austin and Narsarsuaq, Greenland, which Isla Perttula Air has scheduled to begin in May 2027.

### Item 3. Quantitative and Qualitative Disclosures About Market Risk

The Company is exposed to commodity price risk on natural gas and power, and to interest rate risk on borrowings under its revolving credit facility. There has been no material change in the Company's market risk exposures since the most recent Annual Report on Form 10-K.

### Item 4. Controls and Procedures

Management, with the participation of the principal executive officer and principal financial officer, evaluated the effectiveness of the Company's disclosure controls and procedures and concluded that they were effective as of the end of the period covered by this report.

# Part II — Other Information

### Item 1. Legal Proceedings

The Company is party to various legal proceedings arising in the ordinary course of business.

### Forward-Looking Statements

This report contains forward-looking statements. Actual results may differ materially from those expressed or implied, including as a result of commodity prices, weather events on the Texas Gulf Coast, regulatory developments in the jurisdictions in which the Company operates, and the outcome of strategic reviews.
