

ISLA PERTTULA CORPORATION

1 Channel Plaza, Perttula, Texas 77436

Safety and Community Committee Charter

Adopted by the Board of Directors. Last updated November 2011.

Purpose

The Safety and Community Committee oversees the Company's process safety, occupational safety, environmental and community programs, including the Company's role as the provider of utilities, housing and primary health care in the Perttula community.

Responsibilities

- Review process safety and occupational injury performance at each meeting
- Review environmental compliance, remediation obligations and monitoring results, including the South Shore Residue Management Area
- Review hurricane preparedness and the Company's evacuation arrangements before each season
- Review the terms on which the Company provides utility, housing and health services to the Perttula community

Reporting

The Committee reports to the Board after each meeting and reviews any fatality or significant release directly with the Chief Executive Officer.
